### **Dial 9-1-1 for Emergencies**

The emergency 9-1-1 number is intended only for Fire, Police, and Medical emergency situations. When experiencing any fire or medical emergency simply dial 9-1-1. Know the location of the emergency and the phone number where you can be called back in the event you get disconnected. Stay on your telephone with the emergency dispatcher until you are instructed to hang up. The emergency dispatcher can provide important life-saving information, such as how to apply CPR, perform mouth-to-mouth resuscitation, etc.
