### **Home Fire and Life Safety Information**

If you ever have questions or concerns about home, work, or general safety, please call the North Maine Fire Protection District at 847-297-5020. Depending on the question, one of our personnel will gladly answer your question. The NMFDP has a full-time Fire Marshal that can assist you with all your fire and life safety questions when you are building, remodeling, cleaning out the attic, or simply unsure of something you saw that may be dangerous.
